

Drug Shortages Happen. We Keep You Ready.

Your Pharmacy's **Command Center** for Managing Drug Shortages.

- ✓ **Purpose-Built for Health Systems**
The only platform dedicated to drug shortage management.
- ✓ **Centralized Inventory Intelligence**
Consolidate fragmented data into a single, actionable view.
- ✓ **Simplified Shortage Communications**
Deliver real-time updates and notifications to ensure system-wide alignment, from pharmacy to frontline teams.
- ✓ **Historical Insights at Your Fingertips**
Easily reference past shortages and response actions to guide future decisions.
- ✓ **Mitigate Risk & Protect Patient Care**
Strengthen your shortage response to reduce clinical and operational risk before it impacts patients.

Protect your patients. Empower your pharmacy. Stay ready.
